BISTRO ON TAP

we pride ourselves on offering a local micro-brewed product on tap. the **propeller brewing company**, based in halifax, is 100% nova scotian owned and operated and offers a variety of styles of ale that are true to their names. we sell our draught selections by the pint **\$5.95**

honey wheat ale a light coloured, light bodied, crisp ale that is brewed with a touch of annapolis valley honey to give a refreshing character to the back palate. this is an ale that is friendly to both the seasoned beer aficionado and the beer rookie

extra special bitter a copper coloured ale brewed true to the classic english style bitter. this beer has more bite than the honey wheat ale, but the increased level of hops are not too overpowering to push people away. this will surprise you and challenge you to another pint
